

Tip Hotline

The Georgetown Police Department's greatest single source of information is the general public. All calls are kept strictly confidential and reward money is available through the Williamson County Crime Stoppers for tips that lead to the arrest of persons involved in criminal activity. To report information on criminal activity, call the Georgetown Police Department Tips Hotline at (512) 930-2746 or the Williamson County Crime Stoppers at (800) 253-7867.
